

Why Shoemaker Belongs in Your Distribution Portfolio

Shoemaker isn't just for complex commercial projects. Whether you're supplying a custom home, a residential new construction development, or add-on-replacement work, Shoemaker delivers the quality and flexibility your customers demand, backed by the full strength of RectorSeal.

The RectorSeal Family Advantage

RectorSeal has been delivering innovative solutions to the professional trades since 1937, built on a simple, unwavering commitment: *Total Customer Satisfaction by exceeding customer expectations*. Shoemaker carries that same standard. When you stock Shoemaker, your customers get a brand with 85+ years of proven, differentiated performance behind it and the supply chain reliability to match.

Combine Orders. Eliminate Freight Costs.

RectorSeal has 9 distribution centers strategically located throughout the U.S., enabling fast, accurate shipping. You can combine Shoemaker's GRDs with any RectorSeal product on a single purchase order to qualify for the \$4,000 Forward Freight Allowance. This means less paperwork, lower shipping costs, and increased profit margins.

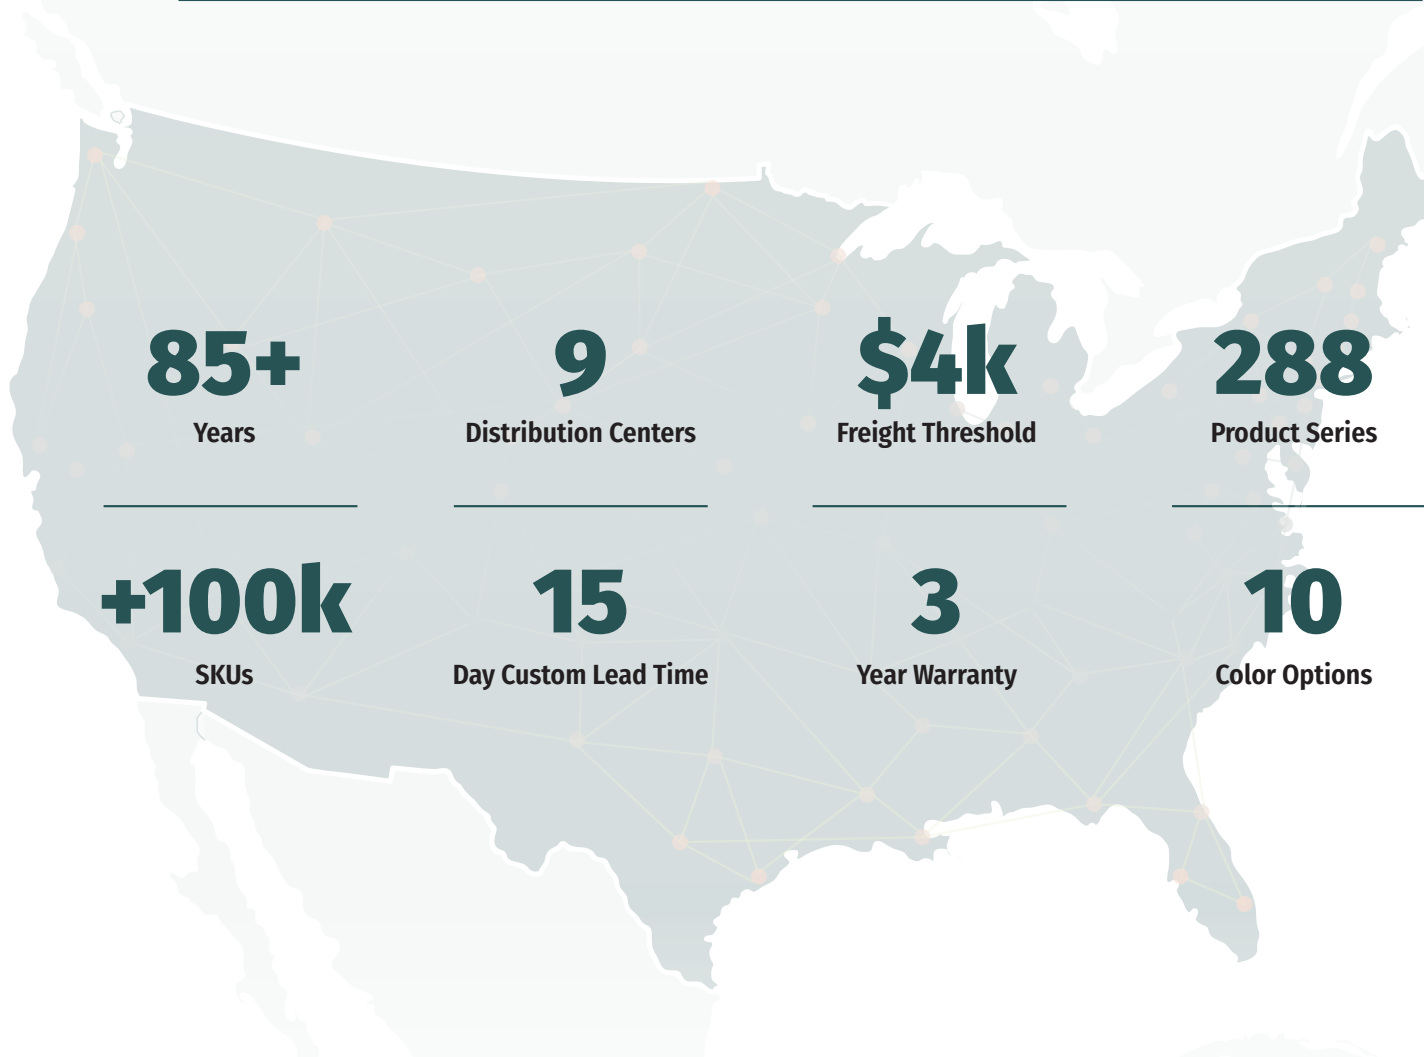

Made to Order. Made to Stock.

Shoemaker is your comprehensive source for air distribution, featuring over 100,000 SKUs across residential, light commercial, specialty, and engineered applications. With nationwide distribution for quick fulfillment and domestic manufacturing for custom orders, we offer industry-leading lead times of just 15 days. Shoemaker helps distributors efficiently stock what they need and quickly obtain what they don't have.

Protected Distribution. Premium Margins.

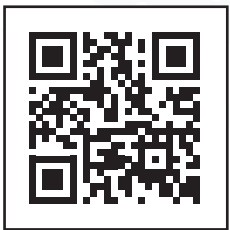

Shoemaker uses a strategic distribution model that operates region by region, featuring limited competition, stronger margins, and a differentiated product that stands out at the counter. The premium powder coat, standard opposed-blade dampers, and a 3-year warranty consistently enhance the value proposition.

One Brand. One Order. One Less Problem.

Quality GRDs Just a Click Away

Shop Shoemaker's extensive collection online 24/7 or visit a local distributor nationwide. Our team prioritizes reliability, responsiveness, and satisfaction every step of the way.

From service to selection, Shoemaker delivers.

Residential Product Selection Guide

Carefully crafted for premium performance

Ceiling Registers & Diffusers

With the versatile options of the 100, 150, RDVD, 90, 200, and SCB Series, there's something for every space. Round, square, or rectangular, find the perfect solution for optimized airflow distribution in your space.

100 Series
Step Down Ceiling Diffuser

RDVD Series
Square Ceiling Directional Diffuser

200 Series
Curved Blade Register

150 Series
4-Way Stamped Ceiling Register

90 Series
Step-Down Round Diffuser

SCB Series
Adjustable Steel Curved Blade Diffuser

Evaporative Diffusers

Designed for large-volume air delivery, Evaporative Diffusers in the 400, 425, and 450 Series deter moisture accumulation and work with evaporative coolers or central blower systems.

400 Series
4-Way Ceiling Evaporative Cooler Box

425 Series
Step Down Ceiling Diffuser with Slide-in Damper

450 Series
High-Velocity Multi-Louver Flush Diffuser

Ceiling/Sidewall Registers

Enjoy silent operation with the stiffened 1/2" fan-shaped louvers of the 845 or 850 Series. For adjustable airflow options, look to the 945, 950, 951, ore 833 Series.

845 Series
3-Way Stamped Register

945 Series
Adjustable Blade 3 or 4-Way Register

951 Series
Adjustable Steel Blade Register

850 Series
2-Way Stamped Register

950 Series
Adjustable Aluminum Airfoil Blade Register

833 Series
1/3" Spacing 2-Way Stamped Register

Return Air Grilles

The 1050 Series offers 1/2" spacing louvers at a 25° pitch, while the 1033 Series has 1/3" spacing louvers at a 30° pitch. Made from stamped cold roll steel, install with fixed louvers up or down for the best duct concealment.

1050 Series
Return Air Grille

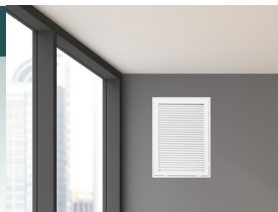

1033 Series
Return Air Grille – 1/3 in. Spacing

STDK Series
Transfer Air Duct Kit

Return Air Filter Grilles

Our Filter Grilles are constructed with durable materials and feature a hinged removable face standard, reversible doors, and can accommodate up to a 1" filter, 1", 2" or 4" filters (filter not included).

FG Series
Stamped Face Filter Grille

935FG Series
Fixed 45° Steel Blade Filter Grille

936FG Series
Fixed 45° Steel Blade Filter Grille

Baseboard Registers & Diffusers

The 855 and 955 Series have margin edges with a 7/8" projection for baseboards, with all components enclosed in the valve for easy installation. The 875 Series offers a removable face and damper, and the 1150 Series has 1/2" spaced dual angular louvers.

855 Series
Stamped Face Baseboard Register

955 Series
Adjustable Blade Baseboard Register

875 Series
Triangular Baseboard Diffuser

5½" height consistent with modern day molding standards

1150 Series
Stamped Face Baseboard Return Air Grille

Baseboard Return Air Grilles

Allow air to circulate properly through your ventilation system with a Baseboard Air Return Grille from the 1133, 1100, or 1165 Series. All offer margin edges of 7/8" projection for baseboard installation.

1133 Series
Baseboard Return Air Grille (1/3 in. spacing)

1100 Series
Fixed Blade Baseboard Return Air Grille

1165 Series
Triangular Baseboard Return Air Grille

Floor Grilles, Registers & Diffusers

With a variety of finishes, sizes, and functions, our collection of floor grilles, registers, and diffusers offers options to fit any budget and style, allowing you to effortlessly maintain the comfort of your space.
